PT=Part-time

TOURO UNIVERSITY

WORLDWIDE

Programs are only required to provide data on the past 10 years/cohort or since the program was initial accredited, whichever is shorter.

* Programs should report graduation rates for program's Advertised Length of Completion which is how long the program is designed to complete as written.

**Programs can enter graduation rates for program's Maximum Length of Completion which is the maximum allowable time in which a student could finish the program

*** Masters and Doctoral programs are required to provide this information. Job Placement Rates by cohort is defined as the percentage of graduates from the cohort year listed that are employed utilizing skills learned in the COAMFTE accredited program. Job Placement rates are calculated using the following data:

- # of graduates that reported their employment status to the program
- # of graduates, who entered in the year listed, that are employed utilizing skills learned in the COAMFTE accredited program

**** Master programs are required to provide this information. Doctoral and Post-Degree programs are encouraged to share this with the public. For Master's programs only, COAMFTE has established a benchmark of 70% pass rate for each cohort. Programs in California can use the California Law and Ethics exam for MFTs to meet this requirement.

Please note: The MFT program was accredited by the WASC Senior College and University Commission (WSCUC) in 2011. In 2012, Drs. Yoram and Edith Neumann (Chancellor/CEO and Provost, respectively), led the MFT program in substantial qualitative updates to the curriculum, which impacts the positive trends in the current SAC data to date.
